CuddleBlanket™ by CuddleCot™

Quick Reference Guide

Setting up the CuddleBlanket

On

Turn the CuddleBlanket machine on at the mains and plug power cord in.

In

Insert the CuddleBlanket hose connectors into the machine.

Sheet

Lay sheet on person laying on bed or chosen resting place.

Pad

Add the cooling pad on top of the person & bring up to shoulder height. *(You can also add an Inco sheet here).*

Sheet

Place another sheet on top of the cooling pad & bring up to shoulder height.

Blanket

Add the insulated blanket & tuck in around the person. A sheet or blanket can be added on top, or it can be inserted inside a duvet cover.

When turning off

Out Remove hose first. **Off** Turn unit off.
